To whom it may concern

I have been treating Anthony Iannarelli Jr for macular degeneration over the past 3 months. He may have long term limitations in the vision in his left eye. Any consideration that can be offered to alleviate his function at work would be appreciated. If he needs time extensions for work, please make any accommodation.

Please contact me if there are any questions.

Thank you,

A handwritten signature in black ink, appearing to read "TL" or "Tamara Lenis".
